Dr. James B. Rhoads
Archivist of the United States
General Services Administration
National Archives and Records Service
Washington, D. C. 20408

Dear Doctor Rhoads:

I would like you to know how much I appreciate your taking the time to participate in our Records Conference. I realize your schedule is especially crowded since your appointment as the Archivist of the United States. We felt our Records Program was especially honored in sharing your first public appearance in that capacity.

You may be interested to know we had 120 people at the conference, representing a cross section of the major components of our Agency. The feed-back we are getting from the Records and Historical Officers indicates the conference has generated considerable interest in the Records Retention Plan we are endeavoring to initiate.

I was pleased to meet you and Dr. Campbell personally, and again want to thank you and him for your help and congratulate you on your new appointment.

Sincerely,

SIGNED R. L. BARNERMAN
